

BRING the BASICS

to our personal care pantry for families in need.

WHAT:

A monthly community donation drive challenge.

WHEN:

We will announce a new item and goal every month. Donations are accepted M-F 8:30AM-4:00PM at Pottstown Cluster of Religious Communities located at 57 North Franklin Street, Pottstown, PA 19464

HOW:

Help us reach our goal by delivering donated items to our personal care pantry. Ask your family and friends to participate or even host a drive at your worship center, congregation, work, or school!

WHY:

Our personal care pantry provides the necessities of life such as self-care products, personal hygiene items, household goods, and cleaning supplies.
